PRINCIPAL'S DESK

November has been a month of learning and celebration. We commemorated Children's Day, Annual Day & Athletic Meet . Students also faced the OPT-5, SOF & monthly test with dedication, demonstrating their academic progress. During Annual Day, our students got the opportunities to showcase their extraordinary talent. Monthly meeting added valuable insights to our planning, helping us steer the school forward with confidence.

OBJECTIVE PERIODIC TEST

The OPT Examination and Monthly Test were conducted recently at our school, marking an important academic milestone for the students. These assessments are integral to our continuous evaluation process, providing students with the opportunity to gauge their understanding of the subjects and identify areas for improvement.

The OPT Examination, designed to test students' proficiency in core subjects, was held across all grades. The test included a variety of objective questions, challenging students to apply their knowledge and critical thinking skills. The results of the OPT Examination will help in identifying strengths and weaknesses, enabling teachers to tailor their instruction accordingly.

SCIENCE OLYMPIAD FOUNDATION

Vikash First Step School successfully conducted the Olympiad Examination, providing students with the opportunity to showcase their academic abilities and problem-solving skills. The examination covered various subjects, including Mathematics, Science, and English, aiming to foster a spirit of healthy competition and intellectual growth among students. Participants prepared rigorously, demonstrating their knowledge and aptitude during the test. The Olympiad not only encouraged academic excellence but also helped students gain confidence in their capabilities, preparing them for future challenges. The event was a testament to the school's commitment to nurturing well-rounded individuals.

We have opened a new lounge designed as a comfortable space for parents and visitors to relax while waiting.

INAUGURATION OF VISITORS' LOUNGE

CELEBRATION OF CHILDRENS' DAY

Children's Day was celebrated with great enthusiasm and joy. On this day, various fun-filled activities and events are organized by the students and teachers. Students showcased songs, and dances. They also showed their oratory skill with delivering speeches. It was memorable occasion not only for students but also for teachers.

ANNUAL DAY CELEBRATION

PRIDE BEYOND OUR CAMPUS

We proudly proclaimed that our students' achievement doesn't confine within our campus; they exhibit their talent beyond the school.

Prisha Mishra achieved 2nd position in a dance competition organised by IIFG judged by Bollywood choreographers and Sudha Chandran.
